

Social Security

SSA.gov

Are you here for a Social Security card? Want to save time?

Scan the QR code below, complete, and submit your online application.

Unable to scan the QR code?
Go to: www.ssa.gov/ssncard-app

- When we announce your number, we'll need to see your documents – they must be originals or certified copies.
- We'll review them and give them back to you.
- You should receive your card in the mail within 14 business days.

Don't have the required documents with you?

You have **45 days** to return to Social Security with the documents we need to complete the Social Security card application.
